### THE ADVISOR

Synchronicity is a Michigan based asset management firm founded in July 2015 offering High-Net-Worth individuals, Family Offices, and Institutions alternative stock and bond exposure via separately managed accounts, and participation in cryptocurrencies, digital assets, and blockchain investment opportunities through a private fund. Synchronicity believes a multi-strategy approach to the digital asset market can help to mitigate the cyclical nature of sub-sectors in the portfolio: existing coins/tokens, pre-sale investments, stocks that have a blockchain aspect to them, and bitcoin futures.

Synchronicity is a 4.7 exempt CTA and CPO, a Michigan Registered Investment Adviser, General Partner of a blockchain investment fund, and Director of a digital asset systematic trading vehicle.
